

DAVEY pH Pump

AUTOMATIC ACID DOSING PUMP

APPLICATION

Ideal for residential backyard swimming pools.

FEATURES & BENEFITS

- Automatically doses and maintains safe pH acid levels in your pool
- Maximises the value and enjoyment of your pool
- Low maintenance, less chemicals to handle and use
- Easy to install - plug and play
- Has low pH and high alarms which stop the pump and displays the current status
- Compliments and assists in the disinfection of salt water chlorinators, chlorine and liquid chlorine systems
- 100% compatible with pool acid commonly used to help balance your pool pH levels
- Suitable for aftermarket and other non Davey chlorinators*

DAVEY pH Pump

- Simple to set pH and calibration
- Easy to read digital LCD display
- Built with strong corrosion and UV-resistant materials for long service life
- Strong & durable corrosion resistant peristaltic tube and roller holder
