

Experts in water.

DAVEY

APPLICATIONS

Ideal for swimming pool applications such as:

- Filtration
- Auto pool cleaning
- Backwashing
- Water features
- Spa jet operation
- Solar pool heating
- Gas and heat pump pool heating

WHY CHOOSE THE Davey Whisper™ pool and solar pump?

Ideal for small pools, above ground pools and solar pool heating applications

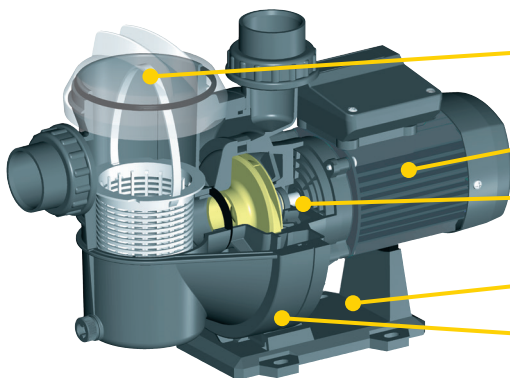

- Compact dimensions
– perfect for tight spaces
- Designed for durability and long life using corrosion resistant, UV stabilised materials
- High quality, reliable pump with low power usage
- Clear leaf basket lid designed for easy access and inspection of filtered debris
- Built in thermal overload protection, protects motor from low voltage or jammed pump
- Barrel union connections for easy pump installation
- Includes integrated check valve in the discharge

DAVEY
Whisper™

Swimming Pool and Solar Pump

A compact pump for small to medium sized above and below ground pools and solar pool heating applications.

Easy to remove, leaf basket cover for easy viewing and removal of leaves and debris.

Quiet and efficient motor.

Stainless steel motor shaft for corrosion resistance in salt water pools.

Pump body and base mount made from glass-filled polypropylene for corrosion resistance.

Compact and easy to install. Weighs 8.4kg or less.

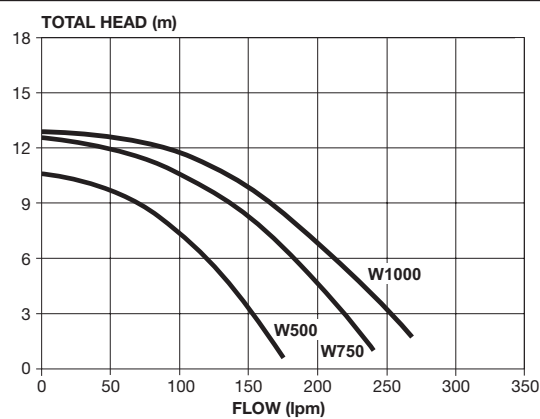

ELECTRICAL DATA

Model	500	750	1000
Voltage (V)	220-250		
Supply Frequency / Phase	50Hz / 1		
Run Current (A)	1.9	2.7	3.5
Motor Input Power (W)	450	650	850
Motor Output Power (W)	250	370	750
RPM	2900		
Enclosure Class	IPX5		
Insulation Class	F		
Approval No.	SGSEA / 120914 or SGS555		

OPERATING LIMITS

Maximum water temperature	35°C
Maximum ambient temperature	50°C

HYDRAULIC PERFORMANCE
